Foreign Language Proficiency Requirement

Judd A. and Marjorie Weinberg College of Arts and Sciences

Before graduation, all students in the Weinberg College of Arts & Sciences must demonstrate proficiency in a modern or classical foreign language. Proficiency is defined as competence in the work covered through the final quarter of a college-level second-year language course (or equivalent determined by each department).

Proficiency may be demonstrated in any one of the following ways:

A. Taking Northwestern coursework leading to and including the final quarter of the second-year course.

Students with no prior knowledge in the chosen foreign language begin with the first quarter of the first-year course and proceed to take six quarter-courses, completing the sixth course with a grade of at least C-.

Students with prior knowledge in the chosen foreign language take a Northwestern placement test which determines the level at which study of the language should begin (in some languages AP exam scores can determine placement).

Students register at that designated level and proceed through the remainder of the sequence to complete the third quarter of the second-year sequence, with a grade of at least C-.

Language placement tests are offered to incoming students during the summer preceding enrollment or during Wildcat Welcome, the new student orientation period.

B. Taking a language placement test and earning a score which meets the College’s criteria for proficiency.

Students with a high level of competence in a foreign language offered at Northwestern can demonstrate proficiency by earning a sufficiently high score on a language placement test offered by the relevant Northwestern department.

While no credit is given, students who meet a particular language program’s proficiency criteria satisfy the foreign language requirement.

Language placement tests are offered to incoming students the summer preceding enrollment or during Wildcat Welcome, the new student orientation period.

Students with knowledge of a foreign language not offered at Northwestern can petition for proficiency evaluation in that language. The petition is available at:

www.weinberg.northwestern.edu/undergraduate/documents/FL_validation_non-NU.pdf

C. Earning a College Entrance Examination Board Advanced Placement Examination score which satisfies the foreign language proficiency requirement.

Students with prior knowledge in the chosen foreign language take a Northwestern placement test which determines the level at which study of the language should begin (in some languages AP exam scores can determine placement).

Students register at that designated level and proceed through the remainder of the sequence to complete the third quarter of the second-year sequence, with a grade of at least C-.

Language placement tests are offered to incoming students during the summer preceding enrollment or during Wildcat Welcome, the new student orientation period.

D. Providing evidence of attending a high school where a language other than English was the primary language of instruction.

Students who attended high schools in which the primary language of instruction was not English may complete the petition for validation based on high school coursework and submit it to the Weinberg Office of Undergraduate Studies and Advising.

(If a student judged to have fulfilled the Weinberg requirement wishes to continue study in that language, s/he should contact the department directly for placement information.)

The petition form is available at: www.weinberg.northwestern.edu/undergraduate/documents/FL_validation_highschool.pdf

If the petition is denied and the language is offered at Northwestern, the student will be asked to take the Northwestern placement test. If the language is not offered at Northwestern, the student may request a proficiency evaluation in the language.

E. Contacting the Language Proficiency Committee and AccessibleNU

Students with a clinically diagnosed disability affecting foreign language acquisition, may, with the approval of the Language Proficiency Committee, use both language and non-language courses to meet the foreign language requirement. They should first contact AccessibleNU for a preliminary assessment and additional information.

In no case is the language proficiency requirement waived.

Language placement information for first-year students

An incoming first-year student who has previously studied a foreign language and plans to continue studying it at Northwestern will need to determine at what level to begin. Departments teaching these subjects may use a student’s scores on the Advanced Placement (AP) Examination and/or a Northwestern placement test to help plan an appropriate academic program.

As a rule, online placement tests should be taken as early as possible; however, incoming first-year students should not attempt to take an online language placement test until a supported test date is announced on the Wildcat Welcome web page, which is posted during the summer.

1. Take the test online

To begin, you will need a Northwestern University Network ID (NetID) and password to gain access to the testing system. After logging into the system for the first time, you will be asked to complete a short profile, which also requests your student ID number. After completing the profile information, you will be presented with a list of available language tests. After selecting a test, you will review the testing agreement that affirms your adherence to Northwestern’s principles of Academic Integrity and then begin the test.

Take an online language placement test
http://placement.madstudio.northwestern.edu

You must finish the test if you wish it to be reviewed by a placement coordinator. After finishing your test, you will receive a confirmation number that can either be printed out or written down.

If you need technical help regarding the placement test, you should send an e-mail detailing the problem to: pthelp@mmlc.northwestern.edu

2. Placement results

Access to placement results requires a valid Northwestern NetID and password and may additionally require that the student either be on campus or connected to the Northwestern Virtual Private Network (VPN).

For the following languages, access your online results at:
http://placement-test.mmlc.northwestern.edu/results/

- Arabic
- Chinese
- French
- German
- Italian
- Japanese

For the Hebrew placement test results, please contact the Hebrew Language Program or the Jewish and Israel Studies Center at jewish-studies@northwestern.edu

Validity of Placement Results

Each language department determines the length of validity of its Placement Test.

Students participating in summer, semester or year-long language programs in the U.S. or abroad are generally required to retake the placement exam.

Students should contact the particular department for advising, especially if continuing language study after a break in language study.

Placement results in Czech, Polish, Turkish, and Russian that demonstrate native or near-native proficiency levels remain valid the entire four years.

Contact the department for: Ancient Greek, Hebrew, Swahili
Pass / No Pass Policies

The Council on Language Instruction urges students in colleges other than Weinberg College of Arts and Sciences to check with their advisers to see whether any language course taken for Pass/No Pass will satisfy the language requirement of their college or degree, or the requirements for a major or a minor in those colleges.

For a description of degree requirements, students can also consult the undergraduate catalog on-line at: www.registrar.northwestern.edu/courses/undergrad_catalog.html

Pass / No Pass Policies

Both Weinberg and non-Weinberg students must abide by the following policies.

No class in any language at any level that is taken in order to fulfill the Weinberg language requirement can be taken Pass / No Pass (P/N).

A  First- and Second-Year (Regular and Intensive) Language Classes

- French
- German
- Italian
- Japanese
- Korean
- Latin
- Portuguese
- Spanish

Pass/No Pass registration is not allowed in any of the first- and second-year language classes in French, German, Italian, Japanese, Korean, Latin, Portuguese, and Spanish regardless of whether students take the class in fulfillment of the language requirement or not. As language classes require daily work in and outside of the classroom, this rule is to ensure that all students come prepared to class so that they can progress with the rest of the class.

B  Language Classes

Beyond the First Two Years

If not otherwise stated in the course description, language courses beyond the first two years can be taken Pass/No Pass unless the courses are counted towards a language major or minor.

- Arabic
- Chinese
- Czech
- Hebrew
- Hindi-Urdu
- Persian (Farsi)
- Polish
- Russian
- Swahili
- Turkish

Pass/No Pass registration in first- and second-year language classes may be allowed in language programs other than French, German, Italian, Japanese, Korean, Latin, Portuguese, and Spanish (e.g. Arabic, Greek, Hebrew, Russian, etc.) if the student is not using the language class to fulfill the six-quarter Weinberg foreign language requirement or a language major or minor requirement in Weinberg.

Studying Abroad

Studying abroad offers an exceptional opportunity to foster personal and academic growth and development while continuing to work on academic degree requirements. Students are encouraged to take their hard-earned knowledge of a language and put it to the test while living and studying in another country and culture.

Many academic programs in all of Northwestern’s six undergraduate colleges and schools have been designed to allow students to spend up to a year abroad; students should plan early and consult academic advisers even as first-year students.

Students usually spend a summer, 1-2 quarters or full year abroad during their junior year, although they are eligible to study abroad starting with the summer after completing their first year.

With careful planning, many of the courses taken abroad on Northwestern-sponsored and affiliated programs may be used to satisfy college and major/minor requirements.

The GESI study abroad program immerses students in experiential learning. It develops global leaders while contributing to the sustainable development of communities where students work and learn. It offers students the opportunity to address issues such as health, education, environment, youth, women’s empowerment, social enterprise development, and microfinance.

Planning to Study Abroad

Students are best able to make use of opportunities abroad when they have a solid foundation in the language and culture of the host country.

Many of Northwestern’s affiliated programs require a minimum of two years of college language instruction, and it is best that students inform themselves of the specific program requirements early in their studies.

Undergraduate Learning Abroad is the first point of contact in the planning process. Students should also consult with study abroad advisers and/or departmental advisers of the applicable language.
Language Study, Fellowships & Post-Graduation Opportunities

A comfortable working knowledge of a foreign language opens up a broad range of additional academic and professional opportunities to advanced undergraduates and recent graduates.

Northwestern students compete very successfully in national fellowship competitions that include the Gilman, Fulbright, Rotary, Luce, Freeman-Asia, Japanese Government Monbukagakusho, German Academic Exchange Service (DAAD) fellowships, and Critical Language Scholarship (CLS).

These programs allow students to design their own research projects or even to begin graduate study abroad.

Substantial course work in language and cultural studies as well as actual experience living in the target culture demonstrate an interest and commitment to working towards international cultural understanding.

Students receiving such fellowships have typically participated in language and cultural studies over the course of their undergraduate studies.

The Office of Fellowships works together with specific language departments to help students identify programs and prepare applications. Students are encouraged to begin investigating fellowship programs during their first and second years. Please consult the Office of Fellowship website for more information: www.northwestern.edu/fellowships

Undergraduate Language Grants

Northwestern’s Office of Undergraduate Research awards Undergraduate Language Grants (ULGs) to support summer intensive language study either in the US or abroad. The grant provides up to $5000, up to 75% of the full cost of attending the language course.

Undergraduate Language Grants are awarded on the basis of an application that includes a two-page proposal outlining how taking intensive language instruction will advance the student’s professional and academic goals.

To qualify for an Undergraduate Language Grant, the student can be a Northwestern undergraduate in any school, the language program must be at least six weeks long, and language instruction must be the predominant (if not the sole) aim of the program.

The Office of Undergraduate Research offers students interested in applying for this grant advising including proposal review.

The deadline for applications is in January each year.

Strategically placed at the geographic nexus of Humanities instruction, the Media and Design Studio works to help faculty integrate technology meaningfully and successfully into teaching and learning. From early beginnings as the “Language Laboratories” nearly 50 years ago, the Studio continues to put tools, resources and technological expertise in the hands of many faculty and students today.

Specially-equipped classrooms, labs, and studio spaces offer the ability to conduct computer-assisted language learning activities, high quality audio and video recording, editing and production, tele-collaboration, and newer modes of active learning.

The Studio hosts a quarterly salon event in which faculty share teaching, research, and scholarship challenges as well as potential solutions. Each quarter also includes a schedule of workshops that cover a wide variety of topics from digital content creation, digital storytelling, course design and enhancement, language learning tools and software, and much more.

For a comprehensive overview of services and projects that range from online placement testing to student-produced soap operas and scholarly cultural research, please consult the department Web site: http://madstudio.northwestern.edu.

The Program of African Studies is the home to Swahili language and arts media courses.

Two sections of the first-year and one of the second-year Swahili language course sequences are offered each year. The African Studies adjunct major and minor programs do not have a language requirement.

An advanced-level Swahili 216-1,2,3 "literature in the language" program is also part of the Swahili curriculum. In three quarter-courses, it introduces Swahili oral tradition, classical literature, and contemporary verbal arts performance in a variety of performance media. The courses need not be taken in sequence, and may be used to satisfy Weinberg College of Arts & Sciences Area VI Literature and Fine Arts distribution requirements and as many as three of the seven electives for the African Studies adjunct major.

Swahili 121-3 or its equivalent is a prerequisite for enrollment in any course in the Swahili 216 program.
